

December 2023 – The Bell, Bovington

A very good turnout of 21 for our 5.4 mile walk which was more challenging than usual with very soggy and muddy conditions following all the heavy rain. Undaunted, we set off through the churchyard, the largest in Herts, and made our way along Stoney Lane before walking round the fringes of Little Hay golf course. Continuing in the direction of Felden we cut up through Bury Woods before returning to the pub along the footpath overlooking open fields. Very different conditions from last year's snow! 23 of us enjoyed an excellent Christmas lunch at The Bell. A lovely way to end our walking year.
