

October 2021, Croxley Green

A local walk from The Red House, along the canal towpath towards Cassiobury Park before heading up Lime Tree Walk into Whippendell Woods.

The return path took us briefly on Rousebarn Lane then across the open fields up towards the Green and back to the pub via Stones Orchard. About 6 miles. As always, a sociable lunch despite the slow arrival of a crumble from the seniors' menu! (Ended up as a takeaway minus the ice cream.)
