ROODBERG BLACK 2021 South African 2021

In the early hours of the morning, on November 20th 2018 a raging fire erupted in the winery placing the wine making team on high alert to safeguard the precious wines in the barrel. Instead of devastation they saw a chance to bring a new wine to life.

Embolded in fiery origins, Roodeberg Black is dark & smooth with an intriguing touch of smoke & charred oak. Fresh yet full bodied in character, this rich red blend remains true to the Roodberg blending legacy. Showcasing top quality fruit.

The Schulz family became owners of the Turkey Flat property in 1865 & continued to tend the ancient vineyard but they also developed a thriving butchers business.

This wine was sourced from some of the original vines on the property.

A nose with hints of rhubarb & juniper with some gaminess, The palate shows sweet lifted fruits, dark plum, cassis & berries with a hint of liquorice & creamy vanilla oak character. The tanins are long & restrained with a grainy finish, typical of mourvedre.

Aromatic, unoaked, refreshing white with lovely peach flavours, expertly crafted by the Yalumba team who specialises in the Viognier grape – in fact this was one of their first organically produced wines. Delicious with fish or poultry dishes.

Behind the scenes

Located on the Murray River at Loxton, South Australia, the Barich family property features a beautiful organic vineyard that produces wonderful Viognier. Over the years, grapes from other vineyards in the state have joined the production, including the Bassham family's vineyard from the 2011 vintage, and the Strachan Vineyard and Yarra Vale Vineyard from 2018's. Meticulous effort and attention to detail in these vineyards ensures that the grapes are in perfect condition for harvest. And in line with organic winemaking techniques, the team adds indigenous yeast, then leaves the wine to ferment with little intervention. The result is a delicate, pale lemon coloured wine, with green hues and an aroma of white flowers, ginger, jasmine and apricot.

This stylish Sauvignon adds a unique twist to the classic Marlborough style. The vibrant aromas of lime basil and green pepper come from fruit harvested in the Awatere Valley as do the juicy flavours of gooseberries.

Tasting notes

More than half of this blend was sourced from Marlborough's classic Wairau Valley sub-region, with 18% from the cooler Awatere Valley and around 15% sourced from the heavier clay soils of the Southern Valleys. This leads to a balanced wine with Nettle, tomato leaf & capsicum aromas, rich tropical melon flavours and a fresh and vibrant finish.
