### **David Williams – The Guardian**

Recently cabernet franc has been enjoying a new lease of life, prized by growers for its ability, in the right conditions, to make red wines of fashionable freshness, elegance and crunch, many of which take well to drinking at cooler temperatures than richer, denser wines. The Loire Valley is the wellspring of this genre of cabernet franc, with the taste of red and blackcurrants and pencil-lead shadings.

This wine we have tasted is not available in UK but Tesco stock a similar wine as reviewed above in the Guardian –

## **CHIANTI CLASSICO 2023**

Italy-Tuscany  
Grape – Sangiovese (not mentioned on label)  
Alcohol – 13.5%

From the sunlit slopes of Chianti Classico, Villa Cafaggio offers an elegant, organically farmed red that balances bright acidity with fine-grained tannins. Aromas of ripe cherry and spicy clove lead to a palate of red fruit, dried herbs and a touch of earth.

The Villa's winemaking tradition goes back to Benedictine monks in the 15<sup>th</sup> century.

Crafted on the estate with careful night time harvesting and respectful winemaking, it feels both honest and refined.

Hints of spicy cloves on the nose- a savoury complexity and a wonderful black cherry and plum character; supple tannins, firm acidity, gentle earthiness and a floral lift create a poised, focused flavour with lingering spice.

Food - Slow-roast lamb with rosemary, tomato-rich pasta or aubergine parmigiana, mature pecorino or aged cheddar

**Will Lyons- Sunday Times**

A good all rounder -vibrant cranberry notes & a lick of spice on the finish. Ideal with pasta, lamb or beef
